

Source
text

```
graph LR; A[Source text] --> B[Encoded text]; B --> C[Target text]
```

The diagram consists of three rectangular boxes arranged horizontally. The first box on the left contains the text 'Source text'. A horizontal arrow points from the right side of this box to the left side of the second box in the middle. The second box contains the text 'Encoded text'. Another horizontal arrow points from the right side of the second box to the left side of the third box on the right. The third box contains the text 'Target text'. All boxes have a black border and the text is centered within each box.
